### EXPERIENCE

#### STAFF ATTORNEY

*NAMMOUR LAW FIRM, Beirut, Lebanon / November 2013 - Present*

- Represented clients regarding Civil rights suits against the institutions or people that committed an offense towards my client. Presenting Cases, investigating data, negotiating settlements, formulating briefs, and filing legal appeals.
- Advocate for my defendants at trials for facing criminal charges. Engaged in case investigations and interviewing witnesses. Building a case strategy with supportive defense and negotiating with the prosecution to bargain and reduce charges on my client.
- Registering new commercial firms and assisting them with business transactions and ensuring the legality and validity of deals and arrangements. Filing motions in the courtroom and seeking action through litigation when the company has been accused. Analyzing terms of agreements for defects regarding paperwork for employee hiring or firing. Assuring that the owner and business are aware of not violating rules and laws based on their contracts and paperwork.
- Handling personal cases such as divorce filing, family name registrations, Executor for wills and property after death, personal injuries and civil disputes regarding a person owing money to another person, Inheritance determination transaction.
